SESSIONS OF MOSCOW UNIVERSITY SOCIETY,
OCTOBER - DECEMBER 1952

The following reports were given during six weekly sessions (28 October - 2 December 1952) of the Moscow University Society: O. A. Oleynik, "Elliptic-Type Equations Degenerating on the Boundary of the Region"; K. I. Babenko, "Theory of Mixed-Type Equations"; N. P. Romanov (Tashkent), "Asymptotics of Power Series on the Boundary of the Convergence Circle, and Limit Theorems of Number Theory"; A. D. Taymanov (Kzyl-Orda), "Quasicomponent Nonclosed Sets"; and M. I. Vishik, "Certain Problems of Theories of Boundary-Value Problems for Elliptic Differential Equations."

At a joint session with the Moscow Society of Naturalists, the Mechanico-mathematical and Physical Faculties of Moscow University, and Moscow higher technical institutions, on the occasion of the 10th anniversary of S. A. Chaplygin's death, V. V. Golubev spoke on Chaplygin's works in aerodynamics and hydrodynamics and V. V. Dobronravov spoke on his works in mechanics. Other reports were the following: L. D. Kudryavtsev, "Differentiable Representations of Regions of Euclidean Spaces"; and S. S. Voyt, "Reflection and Refraction of Spherical Sonic Waves Upon Transition From an Immobile Medium Into a Moving One."

At a joint session with the Scientific Council of the Mechanicomathematical Faculty of Moscow University and the Methodological Seminar of the faculty, I. K. Vereshchagin spoke on Stalin's works.

A. N. Kolmogorov announced that Aleksandr Aleksandrovich Andronov died 31 October 1952.

Announcement was also made of nomination of candidates for Stalin prizes.
